

Inspirations 2008
FRIDAY, MAY 16TH AT THE SACRAMENTO CONVENTION CENTER

Inspirations 2008 is a business awards luncheon to benefit the Child Abuse Prevention Council of Sacramento, Inc. The Council will honor very special community members that have performed extraordinary work on behalf of children and families.

The ballroom will be adorned with over the top table-top décor by some of the region's most creative talents from the interior design, retail, floral, architectural, fashion, landscape and catering industries for this celebration. The Inspirations committee invites you to get in on the fun and get your company's creative energy going by designing your own signature centerpiece or place settings for your table. Call Cathy Kauffman at 916-244-1927 for more information.
