

Dear Friends of Children:

On behalf of Prevent Child Abuse California (PCA CA) and the California Department of Social Services, we are excited to invite your participation in the **"2008 Kids' Day at the Capitol"** in honor of Child Abuse Prevention Month. This event will take place on the West Steps of the State Capitol in downtown Sacramento on April 9, 2008.

The day is going to be a **"MEGA-Kid-Friendly Event,"** full of activities for children, the 4th Annual "Heroes for Kids Art Contest" display, resources and services for children and parents and opportunities to network with hundreds of dedicated individuals who are committed to child abuse prevention efforts! There will be over a thousand attendees from all 58 California counties: parents, teachers, guest legislators, prevention advocates, the business community, and most importantly...California's kids! We are confident that your agency/company will both benefit from and contribute to this meaningful gathering of individuals from all over California, both in and out of the child abuse prevention field.

In the **"Resource and Service Expo"** of tabletop exhibit space hosted by PCA CA, you can display and distribute your agency/company materials, allowing your representatives to visit easily with all those who attend. We hope you will take this opportunity to play an active role in the success of the "2008 Kids' Day at the Capitol"!
